

Holiday Camp

From 2026 onwards, we'll be offering several weeks of holiday care. Each week will feature a fun, seasonal theme, and the children will be cared for by two of our teachers.

Activities will include arts and crafts, construction projects, music, cooking, baking, and exciting outings.

Times

Monday to Friday, 8:30 a.m. – 5:00 p.m.
(Please note: the spring week only runs until Thursday)

Children

Holiday care is available for children aged 3 to 8. Priority will be given to children currently enrolled in our kindergarten and their siblings.

Cost

CHF 450 per child per week, including lunch, snacks, materials and excursions.
A 10% discount applies for siblings.

Registrations are open now! As this is a pilot project, holiday care will take place next year regardless of the number of registrations. After that, we'll review the programme based on feedback and participation.
